I, Luiggy Segura, declare as follows:

2 I am a Senior Director of Securities Operations for JND Legal Administration 1. 3 ("JND"). Pursuant to Section V – Proposed Class Notice Plan – of the Court's Order Granting Preliminary Approval of Settlement, dated November 22, 2021 (the "Preliminary Approval Order"), 4 5 JND was appointed as the Claims Administrator in connection with the proposed settlement of the above-captioned action (the "Action"). I submit this Declaration in order to provide the Court and 6 7 the Parties to the Action with information regarding the mailing of the Notice of Pendency and Proposed Settlement of Class Action ("Notice") and Proof of Claim ("Claim Form," together, the 8 9 "Notice Packet") as well as other status updates regarding notice and the settlement administration 10 process. The following statements are based on my personal knowledge and information provided to me by other experienced JND employees, and, if called as a witness, I could and would testify 11 competently thereto. 12

13

I.

1

DISSEMINATION OF THE NOTICE PACKET

Pursuant to the Preliminary Approval Order, JND was responsible for disseminating
 notice to potential members of the Class and nominees. By definition, the Class is comprised of all
 people who purchased or otherwise acquired Impax Laboratories, Inc. (now Impax Laboratories,
 LLC) ("Impax") common stock or 2% Convertible Senior Notes from February 20, 2014 through
 August 9, 2016, inclusive ("Class Period"). A copy of the Notice Packet is attached hereto as Exhibit
 A.

3. 20On August 9, 2021, Lead Counsel forwarded to JND a file they received from 21 Defendants' Counsel that contained the names and mailing addresses of holders of record of Impax 22 common stock or 2% Convertible Senior Notes during the Class Period. JND extracted the records 23 from the file received and, after clean-up and de-duplication, identified a total of 406 unique names 24 and addresses (the "Class List"). Prior to mailing Notice Packets to the individuals and entities 25 contained on the Class List, JND verified the mailing records through the National Change of Address 26 ("NCOA") database to ensure the most current address was being used. On December 20, 2021, JND 27 caused Notice Packets to be sent by First-Class mail to these potential Class Members.

28

Case 4:16-cv-06557-HSG Document 127-4 Filed 01/18/22 Page 3 of 42

4. JND also identified additional address records through reasonable efforts and
 researched filings with the U.S. Securities and Exchange Commission ("SEC") on Form 13-F to
 identify additional institutions or entities that may have held Impax common stock or 2% Convertible
 Senior Notes during the Class Period. As a result of these efforts, an additional 446 address records
 were identified and added to the Class List. On December 20, 2021, JND caused Notice Packets to
 be sent by First-Class mail to these potential Class Members.

7 5. As in most securities class actions, a large majority of potential Class Members are 8 beneficial purchasers whose securities are held in "street name," *i.e.*, the securities are purchased by 9 brokerage firms, banks, institutions or other third-party nominees in the name of the nominee, on behalf of the beneficial purchasers. JND maintains a proprietary database with the names and 10 addresses of the most common banks and brokerage firms, nominees and known third party filers (the 11 "Broker Database"). At the time of the initial mailing, the Broker Database contained 4,084 mailing 12 13 addresses. On December 20, 2021, JND caused Notice Packets, along with an instructional cover 14 letter, to be mailed via First-Class mail, postage prepaid, to the 4,084 mailing records contained in 15 the Broker Database.

6. On December 20, 2021, in accordance with the Preliminary Approval Order, JND
caused Notice Packets to be mailed via First-Class mail, postage prepaid, to the 4,936 names and
addresses identified (the "Initial Mailing").

7. The Notice directed all those who purchased or otherwise acquired Impax common
stock or 2% Convertible Senior Notes during the Class Period for the beneficial interest of a person
or entity other than themselves to: (a) request within seven (7) calendar days of receipt of the Notice
additional copies of the Notice and the Claim Form from the Claims Administrator for such beneficial
owners; or (b) send a list of the names and addresses of such beneficial owners to the Claims
Administrator within seven (7) calendar days after receipt of the Notice.

8. JND also provided a copy of the Notice to the Depository Trust Company ("DTC")
for posting on its Legal Notice System ("LENS"). The LENS may be accessed by any broker or other
nominee that participates in DTC's security settlement system. The Notice was posted on DTC's
LENS on December 20, 2021.

Case 4:16-cv-06557-HSG Document 127-4 Filed 01/18/22 Page 4 of 42

9. JND also caused reminder postcards to be mailed by First-Class mail, postage prepaid,
 to the broker/nominees and third party filers contained in the Broker Database who did not respond
 to the Initial Mailing. The postcard advised these entities of their obligation to facilitate notice of the
 Settlement to their clients who purchased or acquired Impax common stock or 2% Convertible Senior
 Notes during the Class Period. In a further attempt to garner responses, JND reached out via telephone
 to the top 50 brokers/nominees and third-party filers.

10. Since the Initial Mailing, JND has received an additional 14,089 names and addresses
(and email addresses, if available) of potential Class Members from individuals, entities or nominees
requesting that Notice Packets be mailed to such persons or entities. JND has not received requests
from nominees for Notice Packets, in bulk, to forward directly to their customers. All such requests
will continue to be complied with and addressed in a timely manner.

12 11. As a result of the efforts described above, as of January 10, 2022, an aggregate of
13 19,025 Notice Packets have been disseminated to potential Class Members and nominees. In addition,
14 41 Notice Packets were returned to JND by the U.S. Postal Service ("USPS") as undelivered as
15 addressed, for which no updated address information was provided to JND by the USPS or obtained
16 through other means.

17 18

II. PUBLICATION/TRANSMISSION OF NOTICE ADS AND THE SUMMARY NOTICE

12. Pursuant to the Preliminary Approval Order, JND was also responsible for publishing/transmitting the Summary Notice. JND also caused the Summary Notice to be (i) published once in *The Wall Street Journal* on December 27, 2021; and (ii) transmitted once over *PRNewswire* on December 27, 2021. Attached hereto as Exhibit B is confirmation of *The Wall Street Journal* and *PRNewswire* publications/transmission.

24

III. ESTABLISHMENT OF CALL CENTER SERVICES

Beginning on December 20, 2021, JND established and continues to maintain a tollfree telephone number (1-833-832-0051) for Class Members to call and obtain information about the
Settlement. The toll-free telephone number connects callers with an Interactive Voice Recording
("IVR"). The IVR provides callers with pre-recorded information about the Settlement, including the

- 4 -

option to request a copy of the Notice Packet. The toll-free telephone number with pre-recorded
information is available 24 hours a day, 7 days a week, and provides the option to speak with a live
operator during regular business hours. During other hours, callers may leave a message for a JND
representative to call them back. Since the initial mailing, we have received 15 inbound calls, with 11
being sent to a live operator.

6

IV. ESTABLISHMENT OF THE SETTLEMENT WEBSITE

7 14. In accordance with the Preliminary Approval Order, and to further assist potential 8 Class Members, JND, in coordination with Lead Counsel, designed, implemented, and currently 9 maintains a website dedicated to the Settlement, www.ImpaxSecuritiesSettlement.com (the 10 "Settlement Website"). The Settlement Website became operational on December 17, 2021 and is 11 accessible 24 hours a day, 7 days a week. Among other things, the Settlement Website includes general information regarding the Settlement, lists the exclusion, objection, and claim submission 12 deadlines for the Settlement, as well as the date and time of the Court's Settlement Hearing. Visitors 13 14 to the Settlement Website can also download a copy of the Notice, Claim Form, Amended Stipulation 15 of Settlement, and Preliminary Approval Order. JND will continue operating, maintaining and, as 16 appropriate, updating the Settlement Website until the conclusion of this administration.

17

V. REPORT ON EXCLUSION REQUESTS RECEIVED TO DATE

18 15. The Notice, Summary Notice, and Settlement Website inform Class Members that 19 requests for exclusion from the Class are to be addressed to Impax Securities Settlement, 20 EXCLUSIONS, c/o JND Legal Administration, P.O. Box 91417, Seattle, WA 98111, such that they 21 are received no later than March 4, 2022. The Notice also sets forth the information that must be 22 included in each request for exclusion. JND monitors all mail delivered to the P.O. Box for the 23 Settlement. As of January 7, 2022, JND has not received any requests for exclusion from the Class.

I declare under penalty of perjury under the laws of the State of California that the above is
true and correct.

CLASS ACTION

NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

NOTICE OF PENDENCY OF CLASS ACTION: Please be advised that your rights may be affected by the above-captioned class action lawsuit pending in this Court (the "Litigation") if you purchased or otherwise acquired the common stock or 2% Convertible Senior Notes of Impax Laboratories, Inc. (now known as Impax Laboratories, LLC) ("Impax" or the "Company") from February 20, 2014 through August 9, 2016, inclusive (the "Class Period").

NOTICE OF SETTLEMENT: Please also be advised that the Plaintiffs New York Hotel Trades Council & Hotel Association of New York City, Inc. Pension Fund and Sheet Metal Workers' Pension Plan of Southern California, Arizona and Nevada ("Plaintiffs"), on behalf of the Class (as defined in ¶1 below), have reached a proposed settlement of the Litigation for a total of \$33 million in cash that will resolve all claims in the Litigation (the "Settlement").

This Notice explains important rights you may have, including your possible receipt of cash from the Settlement. Your legal rights will be affected whether or not you act. Please read this Notice carefully!

1. **Description of the Litigation and the Class**: This Notice relates to a proposed Settlement of a class action lawsuit pending against the following defendants: Impax, George Frederick Wilkinson, Dr. Larry Hsu, Dr. Carole Ben-Maimon, and Bryan M. Reasons ("Defendants") (collectively, with Plaintiffs, the "Settling Parties"). The proposed Settlement, if approved by the Court, will apply to the following Class (the "Class"): all Persons that purchased or acquired Impax common stock or 2% Convertible Senior Notes during the Class Period. Excluded from the Class are: (i) Defendants; (ii) members of the immediate families of the Individual Defendants; (iii) Impax's subsidiaries; (iv) the officers and directors of Impax during the Class Period; (v) any entity in which any Defendant has a controlling interest; and (vi) the legal representatives, heirs, successors and assigns of any such excluded person or entity. Also excluded from the Class will be any Person who timely and validly seeks exclusion from the Class. Anyone with questions as to whether or not they are excluded from the Class may call the Claims Administrator toll-free at 1-833-823-0051.

2. <u>Statement of Class's Recovery</u>: Subject to Court approval, and as described more fully in ¶¶44-50 below, Plaintiffs, on behalf of the Class, have agreed to settle all Released Claims (as defined in ¶45 below) against Defendants and other Released Defendant Parties (as defined in ¶47 below) in exchange for a settlement payment of \$33 million in cash (the "Settlement Amount") to be deposited into an escrow account. The Net Settlement Fund (the Settlement Fund less Taxes and Tax Expenses, Notice and Administration Expenses, and attorneys' fees and litigation expenses and awards to the Plaintiffs) will be distributed in accordance with a plan of allocation (the "Plan of Allocation") that will be approved by the Court and will determine how the Net Settlement Fund shall be distributed to members of the Class. The Plan of Allocation is a basis for determining the relative positions of Class Members for purposes of allocating the Net Settlement Fund. The proposed Plan of Allocation is included in this Notice and may be modified by the Court without further notice.

3. <u>Statement of Average Distribution Per Share</u>: The Settlement Fund consists of the \$33 million Settlement Amount plus interest earned. Assuming all potential Class Members elect to participate, the estimated average recovery is \$0.44 per damaged share before fees and expenses. Class Members may recover more or less than this amount depending on, among other factors, the aggregate value of the Recognized Claims represented by valid and acceptable Claim Forms as explained in the Plan of Allocation; when their shares were purchased or acquired and the price at the time of purchase or acquisition; whether the shares were sold, and if so, when they were sold and for how much. In addition, the actual recovery of Class Members may be further reduced by the payment of fees and costs from the Settlement Fund, as approved by the Court.

4. <u>Statement of the Parties' Position on Damages</u>: Defendants deny all claims of wrongdoing, that they engaged in any wrongdoing, that they are liable to Plaintiffs and/or the Class and that Plaintiffs or other members of the Class suffered any injury. Moreover, the parties do not agree on the amount of recoverable damages if Plaintiffs were to prevail on each of the claims. The issues on which the parties disagree include, but are not limited to, whether: (1) the statements made or facts allegedly omitted were material, false or misleading; (2) Defendants are otherwise liable under the securities laws for those statements or omissions or any alleged scheme to defraud; and (3) all or part of the damages allegedly suffered by members of the Class were caused by economic conditions or factors other than the allegedly false or misleading statements or omissions.

5. <u>Statement of Attorneys' Fees and Expenses Sought</u>: Lead Counsel will apply to the Court, on behalf of all Plaintiffs' Counsel, for an award of attorneys' fees from the Settlement Fund of no more than 30% of the Settlement Amount, plus interest earned at the same rate and for the same period as earned by the Settlement Fund. In addition, Lead Counsel also will apply to the Court for payment from the Settlement Fund for Plaintiffs' Counsel's litigation expenses (reasonable expenses or charges of Plaintiffs' Counsel in connection with commencing and prosecuting the Litigation), in a total amount not to exceed \$250,000, plus interest earned at the same rate and for the same period as earned by the Settlement Fund. If the Court approves Lead Counsel's fee and expense application, the estimated average cost per damaged share is \$0.14. In addition, Lead Counsel may apply for awards to the Plaintiffs in connection with their representation of the Class in an amount not to exceed \$15,000, combined.

6. <u>Identification of Attorneys' Representatives</u>: Plaintiffs and the Class are being represented by Robbins Geller Rudman & Dowd LLP ("Lead Counsel"). Any questions regarding

the Settlement should be directed to Luke O. Brooks, Esq. at Robbins Geller Rudman & Dowd LLP, 655 W. Broadway, Suite 1900, San Diego, CA 92101, (800) 449-4900, lukeb@rgrdlaw.com.

WHY DID I GET THIS NOTICE

7. The purpose of this Notice is to inform you about: (a) this Litigation, (b) the certification of the Class, (c) the terms of the proposed Settlement, and (d) your rights in connection with a hearing to be held before the United States District Court, Northern District of California, Oakland Division (the "Court"), on March 31, 2022, at 2:00 p.m., to consider the fairness, reasonableness, and adequacy of the Settlement and related matters. This Notice also describes the steps to be taken by those who wish to be excluded from the Class and, for those who remain Class Members, the steps necessary to seek to be potentially eligible to share in the distribution of the Net Settlement Fund in the event the Settlement is approved by the Court.

8. A class action is a type of lawsuit in which the claims of a number of individuals are resolved together, thus providing the class members with both consistency and efficiency. In a class action lawsuit, the Court selects one or more people, known as class representatives, to sue on behalf of all people with similar claims, commonly known as the class or the class members. (For more information on excluding yourself from the Class, please read "What If I Do Not Want To Be A Part Of The Settlement? How Do I Exclude Myself?" located below.) In the Litigation, the Court has appointed Plaintiffs New York Hotel Trades Council & Hotel Association of New York City, Inc. Pension Fund and the Sheet Metal Workers' Pension Plan

of Southern California, Arizona & Nevada as the representatives of the Class and Lead Counsel as Class Counsel, for purposes of the Settlement.

9. The Court in charge of this case is the United States District Court for the Northern District of California, Oakland Division, and the case is known as *Fleming v. Impax Laboratories Inc., et al.*, Case No. 4:16-cv-06557-HSG. The judge presiding over this case is the Honorable Haywood S. Gilliam, Jr., United States District Judge. The people who are suing are called plaintiffs, and those who are being sued are called defendants. In this case, the Defendants are Impax, George Frederick Wilkinson, Dr. Larry Hsu, Dr. Carole Ben-Maimon, and Bryan M. Reasons.

10. This Notice explains the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them. The purpose of this Notice is to inform you of this case, that it is a class action, how you might be affected, and how to exclude yourself from the Settlement if you wish to do so. It also is being sent to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the proposed Settlement, the proposed Plan of Allocation, and the application by Lead Counsel for attorneys' fees and litigation expenses (the "Settlement Hearing").

11. The Settlement Hearing will be held on March 31, 2022, at 2:00 p.m., before the Honorable Haywood S. Gilliam, Jr., at the United States District Court, Northern District of California, Oakland Division, Oakland Courthouse, Courtroom 2 – 4th Floor, 1301 Clay Street, Oakland, CA 94612, for the following purposes:

- (a) to determine whether the proposed Settlement on the terms and conditions provided for in the Stipulation is fair, reasonable, and adequate and should be approved by the Court;
- (b) to determine whether the Judgment as provided for under the Stipulation of Settlement dated July 30, 2021 (the "Stipulation") should be entered;
- (c) to determine whether the proposed Plan of Allocation for the net proceeds of the Settlement is fair and reasonable and should be approved by the Court;
- (d) to determine whether the application by Lead Counsel for an award of attorneys' fees and litigation expenses should be approved; and
- (e) to rule upon such other matters as the Court may deem appropriate.

12. This Notice does not express any opinion by the Court concerning the merits of any claim in the Litigation, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement, payments to Authorized Claimants will be made after any appeals are resolved, and after the completion of all claims processing. This process takes time. Please be patient.

WHAT IS THIS CASE ABOUT? WHAT HAS HAPPENED SO FAR?

13. This Litigation arises under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, and alleges that during the period between February 20, 2014 and August 9, 2016,

Case 4:16-cv-06557-HSG Document 127-4 Filed 01/18/22 Page 12 of 42

inclusive (the "Class Period"), Defendants Impax, George Frederick Wilkinson, Dr. Larry Hsu, Dr. Carole Ben-Maimon, and Bryan M. Reasons made materially false and misleading statements about Impax's business performance and conditions. More specifically, Plaintiffs allege that during the Class Period, Defendants misled investors regarding Impax's collusion with pharmaceutical industry peers to fix generic drug prices and the impact of competition and price erosion on its sales of certain key products in its generics portfolio.

Plaintiffs allege that during the Class Period, Defendants knew or recklessly 14. disregarded that Impax's profits were inflated by collusive agreements with the Company's peers to fix the prices of digoxin and pyridostigmine bromide. Plaintiffs further allege that, pursuant to the industrywide conspiracy's "rules of the road," Impax was required to, and did, cede market share to manufacturers as they entered the market in order to maintain supracompetitive pricing. As a result, Impax reported declines in gross margins attributed to, in large part, a decline in digoxin sales on May 11, 2015 after the market closed. Impax also announced that the Antitrust Division of the DOJ had issued a grand jury subpoena to Impax relating to price fixing of four generic drugs, including digoxin. Following the May 11 disclosures, Impax's stock price declined 2.7% or \$1.10 per share at closing on May 12, 2015. On August 10, 2015, Impax announced a reduction in gross margin guidance from mid-50% to low-50%, allegedly due to pressure on digoxin, causing Impax's stock price to decline 3% or \$2.07 per share. Plaintiffs allege that Defendants partially offset the diminishing returns on its digoxin scheme by giving investors false information about the true cause, extent, and impact of revenue declines on Impax's generic drug portfolio, and in particular diclofenac sodium gel 3%, and falsely reaffirmed guidance relating to Impax's generic drug portfolio that they knew they could not meet. On June 21, 2016, Impax updated its guidance and revealed it expected greater competition for generic products, particularly diclofenac, resulting in lower revenues and gross margins. That day, Impax common stock declined 11% or \$3.53 per share, and its 2% Convertible Senior Notes declined \$40 per \$1,000 par value. On August 9, 2016, Impax announced quarterly results and provided updated guidance that reduced forecasted revenues by \$49 to \$89 million, with analysts attributing at least a substantial portion to diclofenac. Digoxin revenues also declined, contributing an estimated 15% to the revenue shortfall. Impax's stock price declined 23% or \$7.29 per share, and its 2% Convertible Senior Notes declined \$78 per \$1,000 par value.

15. On October 26, 2018, Lead Plaintiff filed its Second Amended Complaint for Violation of the Federal Securities Laws. On December 6, 2018, Defendants moved to dismiss this complaint, which was opposed by Lead Plaintiff. On August 12, 2019, the Court issued an order granting Defendants' motion to dismiss. The United States Court of Appeals for the Ninth Circuit affirmed in part and reversed in part this decision on January 11, 2021.

16. In the course of the Litigation, the Settling Parties engaged the services of the Hon. Layn Phillips (Ret.), of Phillips ADR, a nationally recognized mediator. The Settling Parties engaged in a mediation session with Judge Phillips on September 17, 2020. While the Settling Parties did not reach an agreement to settle the Litigation at the mediation, the Settling Parties continued settlement negotiations with the assistance of Judge Phillips, who provided the Settling Parties with a Mediator's Proposal on June 26, 2021. The Settling Parties each accepted the Mediator's Proposal to settle the Litigation for \$33 million.

HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT?

17. If you are a member of the Class, you are subject to the Settlement unless you timely request to be excluded. The Class consists of all Persons that purchased or acquired Impax common stock or 2% Convertible Senior Notes between February 20, 2014 and August 9, 2016, inclusive. Excluded from the Class are: (i) Defendants; (ii) members of the immediate families of the Individual Defendants; (iii) Impax's subsidiaries; (iv) the officers and directors of Impax during the Class Period; (v) any entity in which any Defendant has a controlling interest; and (vi) the legal representatives, heirs, successors and assigns of any such excluded person or entity. Also excluded from the Class will be any Person who timely and validly seeks exclusion from the Class. Anyone with questions as to whether or not they are excluded from the Class may call the Claims Administrator toll-free at 1-833-823-0051. (See "What If I Do Not Want To Be A Part Of The Settlement? How Do I Exclude Myself?," below.)

RECEIPT OF THIS NOTICE DOES NOT NECESSARILY MEAN THAT YOU ARE A CLASS MEMBER OR THAT YOU ARE ENTITLED TO RECEIVE PROCEEDS FROM THE SETTLEMENT. IF YOU WISH TO BE POTENTIALLY ELIGIBLE TO RECEIVE A DISTRIBUTION OF THE SETTLEMENT PROCEEDS, YOU MUST COMPLETE, SIGN AND SUBMIT THE ENCLOSED CLAIM FORM **POSTMARKED NO LATER THAN MARCH 21, 2022.**

WHAT ARE PLAINTIFFS' REASONS FOR THE SETTLEMENT?

18. Plaintiffs and Lead Counsel believe that the claims asserted against Defendants have merit. Plaintiffs and Lead Counsel recognize, however, the expense and length of continued proceedings necessary to pursue their claims against Defendants through trial and appeals, as well as the difficulties in establishing liability, obtaining class certification and establishing damages. Plaintiffs and Lead Counsel have considered the amount of the Settlement, as well as the uncertain outcome and risk in complex lawsuits like this one. Such risks include, in particular, the risk that another motion to dismiss that Defendants filed after the Ninth Circuit's decision would be granted and the risk, among others, that Plaintiffs would be unsuccessful in proving that Defendants' alleged misstatements were materially false and misleading, made with scienter (that is, the requisite state of mind), or caused compensable damages to the Class.

19. In light of the amount of the Settlement and the immediacy of recovery to the Class, Plaintiffs and Lead Counsel believe that the proposed Settlement is fair, reasonable and adequate, and in the best interests of the Class. Plaintiffs and Lead Counsel believe that the Settlement provides a substantial benefit now, namely \$33 million in cash (less the various deductions described in this Notice), as compared to the risk that the claims would produce a smaller recovery, or no recovery after summary judgment, trial and appeals, possibly years in the future.

20. Defendants have denied and continue to deny each and all of the claims alleged by Plaintiffs in the Litigation. Defendants expressly have denied and continue to deny all charges of wrongdoing or liability against them arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Litigation. Defendants also have denied and continue to deny, among other things, the allegations that Plaintiffs or the Class have suffered any damage, that Plaintiffs or the Class were harmed by the conduct alleged in the Litigation, or that the Litigation is properly certifiable as a class action for litigation purposes.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

21. If there were no Settlement and Plaintiffs failed to establish any essential legal or factual element of the alleged claims, neither Plaintiffs nor the Class would recover anything from Defendants. If Plaintiffs were not to succeed in obtaining class certification, Defendants may have asserted the defense that the claims of Class Members were untimely under applicable statutes of limitations and statutes of repose. Also, if Defendants were successful in proving any of their defenses, the Class likely would recover substantially less than the amount provided in the Settlement, or nothing at all.

HOW MUCH WILL MY PAYMENT BE?

22. Defendants have agreed to cause to be paid Thirty-Three Million Dollars (\$33,000,000.00) in cash into escrow for the benefit of the Class. At this time, it is not possible to make any determination as to how much individual Class Members may receive from the Settlement. Plaintiffs have proposed a plan for allocating the Net Settlement Fund to those Class Members who timely submit valid Proof of Claim forms. The Plan of Allocation proposed by Plaintiffs is set forth below, and additional information is available on the website created for purposes of this Settlement, www.ImpaxSecuritiesSettlement.com.

23. Payment pursuant to the Plan of Allocation shall be conclusive against all Authorized Claimants. No person or entity shall have any claim based on distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further order(s) of the Court against Lead Counsel, the Plaintiffs, Class Members, the Claims Administrator, Defendants and the other Released Defendant Parties (defined below), or any person or entity designated by Lead Counsel. All members of the Class who fail to timely submit an acceptable Claim Form by the deadline set by the Court, or such other deadline as may be ordered by the Court, or otherwise allowed, shall be forever barred from receiving any payments pursuant to the Settlement, but will in all other respects be subject to and bound by the terms of the Settlement, including Class Members' release of all Released Claims.

24. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the claim of any member of the Class.

25. The Plan of Allocation set forth below is the proposed plan submitted by Plaintiffs and Lead Counsel for the Court's approval. The Court may approve this plan as proposed or it may modify it without further notice to the Class.

26. Each claimant shall be deemed to have submitted to the jurisdiction of the United States District Court for the Northern District of California, Oakland Division, with respect to his, her or its Claim Form.

27. Persons and entities that exclude themselves from the Class will not be eligible to receive a distribution from the Net Settlement Fund and should not submit Proof of Claim forms.

PLAN OF ALLOCATION

28. The objective of the Plan of Allocation is to equitably distribute the settlement proceeds to those Class Members who suffered economic losses as a proximate result of the alleged

wrongdoing. In developing the Plan of Allocation, Plaintiffs' damages expert calculated the potential amount of estimated alleged artificial inflation in Impax common stock and 2% Convertible Senior Notes which allegedly was proximately caused by Defendants' alleged false and misleading statements and material omissions. In calculating the estimated alleged artificial inflation allegedly caused by Defendants' alleged misrepresentations and omissions, Plaintiffs' damages expert considered the market and industry adjusted price changes in Impax's stock price following certain corrective disclosures regarding Impax and the allegations in the Second Amended Complaint.

29. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund.

30. The Net Settlement Fund will be allocated to Authorized Claimants as follows: (a) at least 95% of the Net Settlement Fund will be allocated collectively to Impax common stock; and (b) no more than 5% of the Net Settlement Fund will be allocated to 2% Convertible Senior Notes.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

31. In order to have recoverable damages, a disclosure of the alleged truth omitted or concealed by the misrepresentations must be the cause of the decline in the price of Impax common stock. In this case, Plaintiffs allege that Defendants made false statements and omitted material facts during the Class Period, which had the effect of artificially inflating the prices of Impax common stock.

32. Based on the formula set forth below, a "Recognized Loss Amount" will be calculated for each purchase or acquisition of Impax common stock and 2% Convertible Senior Notes during the Class Period that is listed in the Proof of Claim form and for which adequate documentation is provided. In the calculations below, if a Recognized Loss Amount calculates to a negative number, that Recognized Loss Amount shall be zero.

A. Impax Common Stock

The Impax common stock allocation is primarily based on the price declines following the four corrective disclosures below:

- Market adjusted price decline on May 12, 2015, of \$1.10 per share;
- Market adjusted price decline on August 10, 2015, of \$2.07 per share;
- Market adjusted price decline on June 21, 2016, of \$3.53 per share; and
- Market adjusted price decline on August 9, 2016, of \$7.29 per share.

(a) For shares of Impax common stock *purchased from February 20, 2014, through August 8, 2016, inclusive*, the claim per share shall be as follows:

- (i) If *sold from February 20, 2014 through August 8, 2016, inclusive*, the claim per share shall be the lesser of:
 - 1) the inflation per share in Table A at the time of purchase less the inflation per share in Table A at the time of sale; or
 - 2) the difference between the purchase price per share and the sales price per share.
- (ii) If *sold from August 9, 2016 through November 4, 2016, inclusive*, the claim per share shall be the least of:
 - 1) the inflation per share in Table A at the time of purchase;
 - 2) the difference between the purchase price per share and the sales price per share; or
 - 3) the difference between the purchase price per share and the average closing price per share up to the date of sale as set forth in Table B below.
- (iii) If *retained at the close of trading on November 4, 2016*, the claim per share shall be the lesser of:
 - 1) the inflation per share in Table A at the time of purchase; or
 - 2) the difference between the purchase price per share and \$23.34 per share.

ADDITIONAL PROVISIONS

33. The Net Settlement Fund will be allocated among all Authorized Claimants based on the amount of each Authorized Claimant's Recognized Claim (defined below).

34. If a Class Member has more than one purchase/acquisition or sale of Impax common stock or Convertible Senior Note, purchases/acquisitions and sales shall be matched on a First In, First Out ("FIFO") basis. Class Period sales will be matched first against any holdings at the beginning of the Class Period, and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Class Period.

35. A Claimant's "Recognized Claim" under the Plan of Allocation shall be the sum of his, her or its Recognized Loss Amounts.

Case 4:16-cv-06557-HSG Document 127-4 Filed 01/18/22 Page 20 of 42

36. The Net Settlement Fund will be distributed to Authorized Claimants on a *pro rata* basis based on the relative size of their Recognized Claims. Specifically, a "Distribution Amount" will be calculated for each Authorized Claimant, which shall be the Authorized Claimant's Recognized Claim divided by the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund. If any Authorized Claimant's Distribution Amount calculates to less than \$10.00, it will be increased to \$10.00.

37. Purchases or acquisitions and sales of Impax common stock or Convertible Senior Note shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance or operation of law of Impax common stock or Convertible Senior Note during the Class Period shall not be deemed a purchase, acquisition or sale of Impax common stock or Convertible Senior Note for the calculation of an Authorized Claimant's Recognized Loss Amount, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition of any Impax common stock or Convertible Senior Note unless (i) the donor or decedent purchased or otherwise acquired such Impax common stock or Convertible Senior Note during the Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to those shares; and (iii) it is specifically so provided in the instrument of gift or assignment.

38. The date of covering a "short sale" is deemed to be the date of purchase or acquisition of the Impax common stock. The date of a "short sale" is deemed to be the date of sale of the Impax common stock. Under the Plan of Allocation, however, the Recognized Loss Amount on "short sales" is zero. In the event that a claimant has an opening short position in Impax common stock, the earliest Class Period purchases or acquisitions of Impax common stock shall be matched against such opening short position, and not be entitled to a recovery, until that short position is fully covered.

39. Option contracts are not securities eligible to participate in the Settlement. With respect to Impax common stock purchased or sold through the exercise of an option, the purchase/sale date of the common stock is the exercise date of the option and the purchase/sale price of the common stock is the exercise price of the option.

40. To the extent a claimant had a market gain with respect to his, her, or its overall transactions in Impax common stock or Convertible Senior Note during the Class Period, the value of the claimant's Recognized Claim shall be zero. Such claimants shall in any event be bound by the Settlement. To the extent that a claimant suffered an overall market loss with respect to his, her, or its overall transactions in Impax common stock or Convertible Senior Note during the Class Period, but that market loss was less than the total Recognized Claim calculated above, then the claimant's Recognized Claim shall be limited to the amount of the actual market loss.

41. After the initial distribution of the Net Settlement Fund, the Claims Administrator shall make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the fund within a reasonable time after the initial distribution, if Lead Counsel, in consultation with the Claims Administrator, determine that it is cost-effective to do so, the Claims Administrator shall conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions. Additional re-distributions to Authorized Claimants who have cashed their

Case 4:16-cv-06557-HSG Document 127-4 Filed 01/18/22 Page 21 of 42

prior checks may occur thereafter if Lead Counsel, in consultation with the Claims Administrator, determine that additional re-distributions, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance shall be contributed to the Investor Protection Trust.

42. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against the Plaintiffs, Lead Counsel, Plaintiffs' damages expert, or the Claims Administrator or other agent designated by Lead Counsel, or the Defendants' releasees and/or their respective counsel, arising from distributions made substantially in accordance with the Stipulation, the Plan of Allocation approved by the Court, or further orders of the Court. The Plaintiffs, and Defendants, their respective counsel, Plaintiffs' damages expert, and all other releasees shall have no responsibility or liability whatsoever for the investment or distribution of the Settlement Fund, the Net Settlement Fund, the Plan of Allocation, or the determination, administrator, the payment or withholding of taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

43. The Plan of Allocation set forth herein is the plan that is being proposed to the Court for its approval by Plaintiffs after consultation with their damages expert. The Court may approve this plan as proposed or it may modify the Plan of Allocation without further notice to the Class. Any orders regarding any modification of the Plan of Allocation will be posted on the Settlement website.

WHAT RIGHTS AM I GIVING UP BY AGREEING TO THE SETTLEMENT?

44. If the Settlement is approved, the Court will enter a judgment (the "Judgment"). The Judgment will dismiss with prejudice the claims against Defendants and will provide that Plaintiffs, and all other Released Plaintiff Parties (as defined in ¶48 below) shall have waived, released, discharged, and dismissed each and every one of the Released Claims (as defined in ¶45 below), including Unknown Claims (as defined in ¶49 below), against each and every one of the Released Defendant Parties (as defined in ¶47 below) and shall forever be barred and enjoined from commencing, instituting, prosecuting, or maintaining any and all of the Released Claims against any and all of the Released Defendant Parties, whether or not they execute and deliver the Claim Form or share in the Settlement Fund. Claims to enforce the terms of the Settlement are not released.

45. "Released Claims" means any and all claims, rights, liabilities, and causes of action of every nature and description, including both known claims and Unknown Claims, whether contingent or absolute, mature or unmature, discoverable or undiscoverable, liquidated or unliquidated, accrued or unaccrued, including those that are concealed or hidden, regardless of legal or equitable theory, that Lead Plaintiff or any other member(s) of the Class asserted or could have asserted in any forum that both (i) arise out of, are based upon, or are related in any way to the allegations, transactions, facts, events, matters, occurrences, disclosures, statements, representations, or omissions referred to in the Action, and (ii) relate to the purchase or acquisition of Impax common stock or 2% Convertible Senior Notes by the Class during the Class Period.

Case 4:16-cv-06557-HSG Document 127-4 Filed 01/18/22 Page 22 of 42

Notwithstanding the foregoing, "Released Claims" does not include claims relating to the enforcement of the Settlement.

46. "Released Defendants' Claims" means all claims and causes of action of every nature and description, including both known claims and Unknown Claims (as defined below), whether arising under federal, state, common or foreign law, or any other law, that Defendants could have asserted against any of the Released Plaintiff Parties, including Lead Counsel, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims in the Action, except for claims relating to the enforcement of the Settlement.

47. "Released Defendant Parties" means each and all of the Defendants, and each of their Related Persons.

48. "Released Plaintiff Parties" means the Plaintiffs, each and every Class Member, Plaintiffs' Counsel, and each of their respective past or present trustees, officers, directors, partners, employees, contractors, auditors, principals, agents, attorneys, predecessors, successors, assigns, insurers, parents, subsidiaries, general or limited partners or partnerships, and limited liability companies; and the spouses, members of the immediate families, representatives, and heirs of any Released Plaintiff Party who is an individual, as well as any trust of which any Released Plaintiff Party is the settlor or which is for the benefit of any of their immediate family members. Released Plaintiff Parties does not include any Person who timely and validly seeks exclusion from the Class.

49. "Unknown Claims" means any and all Released Claims that Plaintiffs or any other Class Member do not know or suspect to exist in his, her, or its favor at the time of the release of the Released Defendant Parties, and any and all Released Defendants' Claims that any Defendant does not know or suspect to exist in his, her or its favor, which if known by him, her or it, might have affected his, her or its decision to enter into this Settlement, execute the Stipulation, and agree to all the various releases set forth herein, or might have affected his, her or its decision not to object to this Settlement or not exclude himself, herself or itself from the Class. Unknown Claims include, without limitation, those claims in which some or all of the facts composing the claim may be unsuspected, undisclosed, concealed, or hidden. With respect to any and all Released Claims and Released Defendants' Claims, the Released Parties stipulate and agree that, upon the Effective Date, Plaintiffs and Class Members (as regards the Released Claims) and the Defendants (as regards the Released Defendants' Claims) shall expressly waive and relinquish, and each Class Member shall be deemed to have and by operation of law and of the Judgment shall have, expressly waived and relinquished, to the fullest extent permitted by law, any and all provisions, rights and benefits conferred by California Civil Code §1542, or any law of any state or territory of the United States, or principle of common law or of international or foreign law, which is similar, comparable, or equivalent to Cal. Civ. Code §1542, which provides:

A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

50. The Judgment also will provide that Defendants and each of the other Released Defendant Parties shall be deemed to have waived, released, discharged, and dismissed as against

the Released Plaintiff Parties all Released Defendants' Claims which includes all claims and causes of action of every nature and description, including both known claims and Unknown Claims, whether arising under federal, state, common or foreign law, or any other law, that Defendants could have asserted against any of the Released Plaintiff Parties, including Lead Counsel, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims in the Litigation, except for claims relating to the enforcement of the Settlement.

WHAT PAYMENT ARE THE ATTORNEYS FOR THE CLASS SEEKING? HOW WILL THE LAWYERS BE PAID?

51. Lead Counsel has not received any payment for its services in pursuing claims against Defendants on behalf of the Class, nor has Lead Counsel been paid for its expenses. Before final approval of the Settlement, Lead Counsel intends to apply to the Court for an award of attorneys' fees on behalf of all Plaintiffs' Counsel from the Settlement Fund of no more than 30% of the Settlement Amount, plus interest. At the same time, Lead Counsel also intends to apply for the payment from the Settlement Fund for Plaintiffs' Counsel's litigation expenses in a total amount not to exceed \$250,000, plus interest. The Court will determine the amount of the award of fees and expenses. Lead Counsel may apply for awards to the Plaintiffs in connection with their representation of the Class. Such sums as may be approved by the Court will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses.

HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?

If you fall within the definition of the Class as described above, and you are not 52. excluded by the definition of the Class and you do not elect to exclude yourself from the Class, then you are a Class Member, and you will be bound by the proposed Settlement if the Court approves it, and by any judgment or determination of the Court affecting the Class. If you are a Class Member, you must submit a Claim Form and supporting documentation to establish your potential entitlement to share in the proceeds of the Settlement. A Claim Form is included with this Notice, or you may go to the website maintained by the Claims Administrator for the Settlement to request that a Claim Form be mailed to you. The website is www.ImpaxSecuritiesSettlement.com. You may also request a Claim Form by calling toll-free 1-833-823-0051. Those who exclude themselves from the Class, and those who do not submit timely and valid Claim Forms with adequate supporting documentation, will not be entitled to share in the proceeds of the Settlement unless otherwise ordered by the Court. Please retain all original records of your ownership of, or transactions in the shares, as they may be needed to document your claim.

53. As a Class Member, for purposes of the Settlement, you are represented by Plaintiffs, and Lead Counsel, unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel, but if you choose to do so, such counsel must file a notice of appearance on your behalf.

54. If you do not wish to remain a Class Member, you may exclude yourself from the Class by following the instructions in the section entitled, "What If I Do Not Want To Be A Part Of The Settlement? How Do I Exclude Myself?" below. If you exclude yourself from the Class, you will not be eligible to receive any benefit from the Settlement and you should not submit a Claim Form but you will retain the right to be a part of any other lawsuit against any of the Released

Defendant Parties (as defined in ¶47 above) with respect to any of the Released Claims (as defined in ¶45 above).

55. If you wish to object to the Settlement or any of its terms, the proposed Plan of Allocation, or Lead Counsel's application for attorneys' fees and litigation expenses, and if you do not exclude yourself from the Class, you may present your objections by following the instructions in the section entitled, "When And Where Will The Court Decide Whether To Approve The Settlement?" below. If you exclude yourself from the Class, you are not entitled to submit an objection.

WHAT IF I DO NOT WANT TO BE A PART OF THE SETTLEMENT? HOW DO I EXCLUDE MYSELF?

56. Each Class Member will be bound by all determinations and judgments in this lawsuit concerning the Settlement, whether favorable or unfavorable, unless such person or entity mails, by first-class mail (or its equivalent outside the U.S.), or otherwise delivers a written request for exclusion from the Class, addressed to Impax Securities Settlement, EXCLUSIONS, c/o JND Legal Administration, PO Box 91417, Seattle, WA 98111. The exclusion request must be received no later than March 4, 2022. Each request for exclusion must clearly indicate the name, address and telephone number of the person or entity seeking exclusion, that the sender requests to be excluded from the Class in Fleming v. Impax Laboratories Inc., et al., Case No. 4:16-cv-06557-HSG, and must be signed by such person. Such persons or entities requesting exclusion are also directed to provide the following information: the number of shares of Impax common stock or the 2% Convertible Senior Notes that the Person requesting exclusion (i) owned as of the opening of trading on February 20, 2014; and (ii) purchased, acquired and/or sold from February 20, 2014 through August 9, 2016, inclusive, as well as the number of shares, dates and prices for each such purchase, acquisition and sale. The request for exclusion shall not be effective unless it provides the required information and is made within the time stated above, or the exclusion is otherwise accepted by the Court. Should you elect to exclude yourself from the Class, you should understand that Defendants and the other Released Defendant Parties will have the right to assert any and all defenses they may have to any claims that you may seek to assert, including, without limitation, the defense that any such claims are untimely under applicable statutes of limitations and statutes of repose.

57. If you do not want to be part of the Class, you must follow these instructions for exclusion even if you have pending, or later file, another lawsuit, arbitration, or other proceeding relating to any Released Claim against any of the Released Defendant Parties. Excluding yourself from the Class is the only option that allows you to be part of any other current or future lawsuit against Defendants or any of the other Released Defendant Parties concerning the Released Claims. Please note, however, if you decide to exclude yourself from the Class, you may be time-barred from asserting the claims covered by the Litigation by a statute of repose.

58. If you ask to be excluded, do not submit a Claim Form because you cannot receive any payment from the Net Settlement Fund. If a person or entity requests to be excluded from the Class, that person or entity will not receive any benefit provided for in the Stipulation.

59. If the requests for exclusion from the Settlement exceed a certain amount, as set forth in a separate confidential supplemental agreement between Plaintiffs and Defendants (the

"Supplemental Agreement"), Defendants shall have, in their discretion, the option to terminate the Settlement in accordance with the procedures set forth in the Supplemental Agreement.

WHEN AND WHERE WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT? DO I HAVE TO COME TO THE HEARING? MAY I SPEAK AT THE HEARING IF I DON'T LIKE THE SETTLEMENT?

60. If you do not wish to object in person to the proposed Settlement, the proposed Plan of Allocation, and/or the application for attorneys' fees and litigation expenses, you do not need to attend the Settlement Hearing. You can object to or participate in the Settlement without attending the Settlement Hearing.

61. The Settlement Hearing will be held on March 31, 2022, at 2:00 p.m., before the Honorable Haywood S. Gilliam, Jr., at the United States District Court, Northern District of California, Oakland Division, Oakland Courthouse, Courtroom 2 - 4th Floor, 1301 Clay Street, Oakland, CA 94612. The Court reserves the right to approve the Settlement or the Plan of Allocation, Lead Counsel's motion for an award of attorneys' fees and expenses, and/or any other matter related to the Settlement at or after the Settlement Hearing without further notice to the members of the Class.

62. Any Class Member who does not request exclusion such that it is **received no later than March 4, 2022**, may object to the Settlement, the Plan of Allocation, or Lead Counsel's request for an award of attorneys' fees and litigation expenses.¹ You can ask the Court to deny approval by filing an objection. You cannot ask the Court to order a different settlement; the Court can only approve or reject the settlement. If the Court denies approval, no settlement payments will be sent out and the lawsuit will continue. If that is what you want to happen, you must object.

63. Any objection to the proposed Settlement must be in writing. If you file a timely written objection, you may, but are not required to, appear at the Settlement Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for hiring and paying that attorney. All written objections and supporting papers must (a) clearly identify the case name and number (*Fleming v. Impax Laboratories Inc., et al.*, Case No. 4:16-cv-06557-HSG), (b) be submitted to the Court either by mailing them to the Class Action Clerk, United States District Court for the Northern District of California, Oakland Division, 1301 Clay Street, Suite 400 S, Oakland, CA 94612, or by filing them in person at any location of the United States District Court for the Northern District of California, and (c) be filed or postmarked on or before March 4, 2022.

64. The notice of objection must include documentation establishing the objecting Person's membership in the Class, including the number of shares of Impax common stock or the 2% Convertible Senior Notes that the objecting Person (1) owned as of the opening of trading on February 20, 2014, and (2) purchased, acquired and/or sold during the Class Period, as well as the dates and prices for each such purchase, acquisition and sale, and contain a statement of reasons for the objection, copies of any papers, briefs, or other documents upon which the objection is

¹ Plaintiffs' initial motion papers in support of these matters will be filed with the Court on or before January 18, 2022.

based, a statement of whether the objector intends to appear at the Settlement Hearing, and the objector's signature, even if represented by counsel. The objection must state whether it applies only to the objector, to a specific subset of the Class, or to the entire Class. In addition, the objector must identify all class action settlements to which the objector and his, her or its counsel has previously objected. Documentation establishing membership in the Class must consist of copies of brokerage confirmation slips or monthly brokerage account statements, or an authorized statement from the objector's broker containing the transactional and holding information found in a broker confirmation slip or account statement. Objectors who desire to present evidence at the Settlement Hearing in support of their objection must include in their written objection or notice of appearance the identity of any witnesses they may call to testify and any exhibits they intend to introduce into evidence at the hearing.

65. You may not object to the Settlement or any aspect of it, if you exclude yourself from the Class.

66. You may file a written objection without having to appear at the Settlement Hearing. You may not appear at the Settlement Hearing to present your objection, however, unless you have first filed a written objection in accordance with the procedures described above, unless the Court orders otherwise.

67. You are not required to hire an attorney to represent you in making written objections or in appearing at the Settlement Hearing. If you decide to hire an attorney, which will be at your own expense, however, he or she must file a notice of appearance with the Court so that the notice is **received on or before March 4**, 2022.

68. The Settlement Hearing may be adjourned by the Court without further written notice to the Class, other than a posting of the adjournment on the Settlement website, www.ImpaxSecuritiesSettlement.com. If you plan to attend the Settlement Hearing, you should confirm the date and time with Lead Counsel.

Unless the Court orders otherwise, any Class Member who does not object in the manner described above will be deemed to have waived any objection and shall be forever foreclosed from making any objection to the proposed Settlement, the proposed Plan of Allocation, or Lead Counsel's request for an award of attorneys' fees and litigation expenses. Class Members do not need to appear at the hearing or take any other action to indicate their approval.

WHAT IF I BOUGHT SHARES ON SOMEONE ELSE'S BEHALF?

69. Nominees who purchased or acquired Impax common stock or the 2% Convertible Senior Notes for beneficial owners who are Class Members are directed to: (a) request within seven (7) calendar days of receipt of this Notice additional copies of the Notice and the Claim Form from the Claims Administrator for such beneficial owners; or (b) send a list of the names and addresses of such beneficial owners to the Claims Administrator within seven (7) calendar days after receipt of this Notice. Upon full compliance with these instructions, including the timely mailing of the Notice to beneficial owners, such nominees may seek reimbursement of their reasonable expenses actually incurred in complying with these instructions by providing the Claims Administrator with proper documentation supporting the expenses for which reimbursement is sought and reflecting compliance with these instructions, including timely mailing of the Notice, if the nominee elected or elects to do so. I. INSTRUCTIONS

A. GENERAL INSTRUCTIONS

1. To recover as a member of the Class based on your claims in the action entitled *Fleming v. Impax Laboratories Inc., et al.*, Case No. 4:16-cv-06557-HSG (the "Litigation"), you must complete and, on page 8 hereof, sign this Proof of Claim form ("Claim Form"). If you fail to file a properly addressed (as set forth in paragraph 3 below) Claim Form, your claim may be rejected, and you may be precluded from any recovery from the Net Settlement Fund created in connection with the proposed settlement of the Litigation.

2. Submission of this Claim Form, however, does not assure that you will share in the proceeds of settlement in the Litigation.

3. YOU MUST MAIL OR SUBMIT ONLINE YOUR COMPLETED AND SIGNED CLAIM FORM ON OR BEFORE MARCH 21, 2022, ADDRESSED AS FOLLOWS:

Impax Securities Settlement c/o JND Legal Administration PO Box 91417 Seattle, WA 98111 www.ImpaxSecuritiesSettlement.com

If you are NOT a member of the Class, as defined below and in the Notice of Pendency and Proposed Settlement of Class Action (the "Notice"), DO NOT submit a Claim Form.

4. If you are a member of the Class and you do not timely and validly request exclusion from the Class, you are bound by the terms of any judgment entered in the Litigation, including the releases provided therein, WHETHER OR NOT YOU SUBMIT A CLAIM FORM.

5. It is important that you completely read and understand the Notice that accompanies this Claim Form, including the Plan of Allocation of the Net Settlement Fund set forth in the Notice. The Notice describes the proposed Settlement, how Class Members are affected by the Settlement, and the manner in which the Net Settlement Fund will be distributed if the Settlement and Plan of Allocation are approved by the Court. The Notice also contains the definitions of many of the defined terms (which are indicated by initial capital letters) used in this Claim Form. By signing and submitting this Claim Form, you will be certifying that you have read and that you understand the Notice, including the terms of the releases described therein and provided for herein.

B. CLAIMANT IDENTIFICATION

1. If you purchased or acquired Impax common stock or 2% Convertible Senior Notes and held the certificate(s) in your name, you are the beneficial purchaser or acquirer as well as the record purchaser or acquirer. If, however, the certificate(s) were registered in the name of a third party, such as a nominee or brokerage firm, you are the beneficial purchaser and the third party is the record purchaser.

2. Use Part II of this form entitled "Claimant Identification" to identify the beneficial owner(s) of Impax common stock or 2% Convertible Senior Notes. The complete name(s) of the beneficial owner(s) must be entered. If you held the eligible Impax common stock or 2% Convertible Senior Notes in your own name, you are the beneficial owner as well as the record owner. If, however, your shares of eligible Impax common stock or 2% Convertible Senior Notes were registered in the name of a third party, such as a nominee or brokerage firm, you are the beneficial owner of these shares, but the third party is the record owner. THIS CLAIM MUST BE FILED AND SIGNED BY THE ACTUAL BENEFICIAL PURCHASER(S) OR ACQUIRER(S) OR THE LEGAL REPRESENTATIVE OF SUCH PURCHASER(S) OR ACQUIRER(S) OF THE IMPAX COMMON STOCK OR 2% CONVERTIBLE SENIOR NOTES UPON WHICH THIS CLAIM IS BASED.

Case 4:16-cv-06557-HSG Document 127-4 Filed 01/18/22 Page 30 of 42

3. All joint purchasers must sign this Claim Form and be identified in Part II. The Social Security (or taxpayer identification) number and telephone number of the beneficial owner may be used in verifying the claim. Failure to provide the foregoing information could delay verification of your claim or result in rejection of the claim.

4. **One Claim should be submitted for each separate legal entity.** Separate Claim Forms should be submitted for each separate legal entity (*e.g.*, a claim from joint owners should not include separate transactions of just one of the joint owners, and an individual should not combine his or her IRA transactions with transactions made solely in the individual's name). Conversely, a single Claim Form should be submitted on behalf of one legal entity including all transactions made by that entity on one Claim Form, no matter how many separate accounts that entity has (*e.g.*, a corporation with multiple brokerage accounts should include all transactions made in all accounts on one Claim Form).

5. Agents, executors, administrators, guardians, and trustees must complete and sign the Claim Form on behalf of persons represented by them, and they must:

- (a) expressly state the capacity in which they are acting;
- (b) identify the name, account number, Social Security Number (or taxpayer identification number), address, and telephone number of the beneficial owner of (or other person or entity on whose behalf they are acting with respect to) the Impax common stock or 2% Convertible Senior Notes; and
- (c) furnish herewith evidence of their authority to bind to the Claim Form the person or entity on whose behalf they are acting. (Authority to complete and sign a Claim Form cannot be established by stockbrokers demonstrating only that they have discretionary authority to trade securities in another person's accounts.)
- 6. By submitting a signed Claim Form, you will be swearing that you:
 - (a) own or owned the Impax common stock or 2% Convertible Senior Notes you have listed in the Claim Form; or
 - (b) are expressly authorized to act on behalf of the owner thereof.

C. CLAIM FORM

1. Use Part III of this form entitled "Schedule of Transactions in Impax Common Stock" and use Part IV of this form entitled "Schedule of Transactions in 2% Convertible Senior Notes" to supply all required details of your transaction(s) in Impax common stock and Notes. If you need more space or additional schedules, attach separate sheets giving all of the required information in substantially the same form. Sign and print or type your name on each additional sheet.

2. On the schedules, provide all of the requested information with respect to all of your purchases and acquisitions and all of your sales of Impax common stock and 2% Convertible Senior Notes that took place at any time on or between and including February 20, 2014 and November 4, 2016, whether such transactions resulted in a profit or a loss. Failure to report all such transactions may result in the rejection of your claim. Also, list the number of shares of Impax common stock held at the close of trading on February 19, 2014 and November 4, 2016.

3. List each transaction in the Class Period separately and in chronological order, by trade date, beginning with the earliest. You must accurately provide the month, day and year of each transaction you list.

4. You are required to submit genuine and sufficient documentation for all of your transactions in and holdings of Impax common stock or 2% Convertible Senior Notes set forth in the Claim Form. Documentation may consist of copies of brokerage confirmation slips or monthly brokerage account statements, or an authorized statement from your broker containing the transactional and holding information

Case 4:16-cv-06557-HSG Document 127-4 Filed 01/18/22 Page 31 of 42

found in a broker confirmation slip or account statement. The parties and the Claims Administrator do not independently have information about your investments in Impax common stock or 2% Convertible Senior Notes. IF SUCH DOCUMENTS ARE NOT IN YOUR POSSESSION, PLEASE OBTAIN COPIES OF THE DOCUMENTS OR EQUIVALENT DOCUMENTS FROM YOUR BROKER. FAILURE TO SUPPLY THIS DOCUMENTATION MAY RESULT IN THE REJECTION OF YOUR CLAIM. DO NOT SEND ORIGINAL DOCUMENTS. Please keep a copy of all documents that you send to the Claims Administrator. Also, do not highlight any portion of the Claim Form or any supporting documents.

5. The above requests are designed to provide the minimum amount of information necessary to process the simplest claims. The Claims Administrator may request additional information as required to efficiently and reliably calculate your losses. In the event the Claims Administrator cannot perform the calculation accurately or at a reasonable cost to the Class with the information provided, the Claims Administrator may condition acceptance of the claim upon the production of additional information and/or the claimant's responsibility for any increased costs due to the nature and/or scope of the claim.

6. If the Court approves the Settlement, payments to eligible Authorized Claimants pursuant to the Plan of Allocation (or such other plan of allocation as the Court approves) will be made after any appeals are resolved, and after the completion of all claims processing. The claims process will take substantial time to complete fully and fairly. Please be patient.

7. **PLEASE NOTE:** As set forth in the Plan of Allocation, each Authorized Claimant shall receive his, her or its *pro rata* share of the Net Settlement Fund. If the prorated payment to any Authorized Claimant calculates to less than \$10.00, it will be increased to \$10.

8. If you have questions concerning the Claim Form, or need additional copies of the Claim Form or the Notice, you may contact the Claims Administrator, JND Legal Administration, at the address on the first page of the Claim Form, by email at info@ImpaxSecuritiesSettlement.com, or by toll-free phone at 1-833-823-0051, or you can visit the website, www.ImpaxSecuritiesSettlement.com, where copies of the Claim Form and Notice are available for downloading.

9. NOTICE REGARDING ELECTRONIC FILES: Certain claimants with large numbers of transactions may request, or may be requested, to submit information regarding their transactions in electronic files. To obtain the *mandatory* electronic filing requirements and file layout, you may visit the Settlement website at www.ImpaxSecuritiesSettlement.com or you may email the Claims Administrator's electronic filing department at info@ImpaxSecuritiesSettlement.com. Any file not in accordance with the required electronic filing format will be subject to rejection. Only one claim should be submitted for each separate legal entity (see **¶B.4** above) and the *complete* name of the beneficial owner(s) of the securities must be entered where called for (see ¶B.2 above). No electronic files will be considered to have been submitted unless the Claims Administrator issues an email to that effect. Do not assume that your file has been received until you receive this email. If you do not receive such an email within 10 days vour submission. vou should contact the electronic filina department of at info@ImpaxSecuritiesSettlement.com to inquire about your file and confirm it was received.

Chip Shortage Puts Focus On Texas Instruments

BY YANG JIE

In the digital age, some of the most sought-after devices are analog semiconductors—including ones made by 91-yearold Texas Instruments Inc., the company known to consumers for calculators that have been around since the 1970s.

Technology executives say this year's supply-chain bottlenecks, which have hit parts for everything from iPhones to Ford F-150s, are particularly acute in chips that don't shuffle zeros and ones. Analog chips treat incoming information about temperature, sound and electrical current more like a human would, on a scale with many gradations.

chip makers is Dallas-based 1930. Students and engineers know TI for its hand-held calculators, which it still makes. But its \$170 billion market capitalization is built on its dominance in analog chips, where it holds 17% to 20% of the world market this year, according to Taiwan-based market research firm TrendForce.

While makers of sophisticated digital chips such as Intel Corp. and Samsung Electronics Co. get most of the spotlight, a lack of analog chips costing a few dollars apiece can hold up supply chains for products with tens of billions of dollars in sales.

Samson Hu, co-chief executive of Taiwan-based laptop maker Asustek Computer Inc., recently lamented that his factory assembly lines were getting disrupted by a shortage of analog chips managing battery use or amplifying sound effects.

"The uncertainty, as we have observed, lies with a certain big American IDM company, " Mr. Hu said in Novem-

didn't name the company, but industry officials said that based on Mr. Hu's description of the company's products, he was talking about Texas Instruments. A spokeswoman for Asustek declined to comment, and representatives for Texas Instruments didn't respond to requests for comment.

Mr. Hu said he expected supply from the American company to remain tight until its capacity expansion next year. TI has said a new \$6 billion factory is set to open in Richardson, Texas, in the second half of 2022.

Apple Inc.'s chief executive, Tim Cook, talked in an October earnings call about the sales opportunities Apple is losing because parts shortages mean it can't make enough iPhones and other devices.

Besides Texas Instruments, major analog-chip makers include Analog Devices Inc. of Wilmington, Mass., and two European companies, **Infineon** Technologies AG and STMi-

croelectronics NV.

Industry executives and analysts say TI's problems in meeting demand resemble those of other companies but that it tends to get more attention because of its leading position.

Texas Instruments says it is doing its best to serve customers and acknowledges that some aren't getting everything they want. "Clearly, we're well below where we want to be" in inventory, said Chief Financial Officer Rafael Lizardi in an October earnings call.

The company has new capacity in the works that it says will require tens of billions of dollars in investment, with construction starting next year on two factories in Sherman, Texas.

Yet analog-chip makers have been cautious about expanding because of the industry's history of booms and busts. Texas Instruments executives have said they want to be disciplined in addressing customer demand.

love," said Mr. Trombetti, who with his wife runs Translated, an online translation company that serves big names including Uber Technologies Inc. and Airbnb Inc.

The couple wanted to generate power through renewable means because electricity consumption by the computers underpinning their tech is rising almost 70% annually, he says.

"In 10 years, AI will be a major consumer of electricity," said Mr. Trombetti, noting that world-wide bitcoin mining already devours more electricity than the Netherlands.

Mr. Trombetti said he was surprised at the ease of resurrecting the power plant. The century-old turbines—the metal water-wheels—are still usable and only about 5% less efficient than current models. A new generator, which the turbines spin to generate electricity, has been installed.

In 1895, Hermann Einstein, a German electrical engineer and entrepreneur better known for being the father of the genius behind the theory of relativity, had a canal dug in the countryside about halfway between Milan and Genoa to power his new plant. Hermann, who had an electric-motor factory in the nearby town of Pavia, tapped the revolutionary new technology of hydroelectric generation to power another revolutionary technology, electric streetlights. The plant was

one of several Hermann and his brother Jakob built across northern Italy around 1900.

They may have had more than a family-name link to Albert's groundbreaking work. Their innovative equipment for metering electricity consumption demanded internal clockwork that measured time with unprecedented precision. Harvard history of science professor Peter Galison has written. Time is also at the heart of relativity theory, and Albert was a budding math and physics prodigy living in Italy when Jakob Einstein & Co. marketed its machinery.

It isn't known whether Albert visited the plant, though it is likely he did so, since he spent time in Pavia, which is 15 miles away, according to Miriam Focaccia, a researcher at the Enrico Fermi Research Center in Rome.

The plant produced electricity until 1962, when Italy nationalized electricity production and distribution. The national provider concentrated on large plants and abandoned many like the one in Sannazzaro, which was converted to a water-powered sawmill.

Decades later, local oil-industry entrepreneur Giampiero Savini came across it on a hunting trip. When Italy deregulated its electricity market in the 2000s, Mr. Savini remembered the plant, which by then was a burned-out shell with a collapsed roof.

He managed to buy the plant in 2001 and, though he made progress, he never got it producing electricity again. He ran into Italy's legendary red tape, made more arduous because initially the idea of a private individual generating power and putting it on the grid was unknown. Last year, when the plant was about to begin producing electricity, Mr. Savini died at age 85. By then, his children had had enough.

"Our patience had run out," said his daughter, Paola Savini, an architect and local politician. "For my brother and me it was a very difficult situation to sell because this plant has been part of the family for 20 years. but it needed somebody who could invest the time and money to get it working again.'

Mr. Trombetti's Translated paid €800,000, equivalent to \$905,000, for the plant in September and is investing €150,000 to complete the work to make it operational, said Valerio Lanni, the company manager overseeing the project.

"The real challenge was dealing with the local, provincial, regional and national bureaucracy," said Mr. Lanni, as he descended the original metal ladder down to the turbines and generator.

Due to Italy's laws protecting historic buildings, the plant today looks much as it originally did. Inside, an open space recalls a small church, with a new vaulted ceiling of large wood beams installed by Mr. Savini. A handle on one wall harks back to when a worker manually turned a crank to lower the lock, forcing water to the turbines.

Translated won't take power directly from the plant, instead feeding electricity into Italy's grid and drawing power as needed at its headquarters on the outskirts of Rome.

Repurposing a facility was important to Mr. Trombetti, who is trained as a physicist, and his wife, who is a linguist. "Reuse is important," Mr. Trombetti said. "Here in Italy, it's easy because we have many beautiful things we can reuse."
